

## Domarpresentation Yvonne Ladd Cannon, Irland

I have been involved with dogs and the exhibition of dogs all my life growing up in a Gundog & Terrier household. I co-owned and bred Irish Soft Coated Wheaten Terriers under the Corrlough Prefix with my Father from approx 1973. Ownership registered with the IKC and the KC London. Corrlough prefix was registered with both Kennel Clubs.

In 1981 I purchased a Bernese Mountain Dog and she became my first Champion (in my own name) Ch Leonfort Lauri, the first Irish bred bitch to gain her title of champion in Ireland.

I now own, exhibit & breed Shih Tzu under the Cloughlea prefix/affix. I have made up numerous Irish Champions alongside Swedish/Danish/Russian and bred/owned several UK Champions.

I am qualified to judge groups 1, 2,3,7 and 9 and breeds from group 1 and 5.
